Short term lets in sheltered houses

Are you moving to the Weston-super-Mare area and waiting for your long term accommodation to be ready? Are you over 60 years of age?

We may be able to help you while you wait!

Abbeyfield Weston-super-Mare Society has three sheltered houses where you can stay in comfortable surroundings for an agreed length of time.

Each Abbeyfield house has a resident manager who provides a 'home from home' environment for between seven to 17 residents. Our houses have lovely gardens and are within easy reach of local shops, facilities and the seafront. Parking is available, or for your convenience our minibus is able to take you out and about to visit different places.

Included in the cost of your let is:

- Your own room with toilet and basin, some with showers
- Bed linen and towels provided.
- Kitchenette in your room with toaster, tea and coffee making facilities including a fridge
- Two home cooked meals each day and the ingredients to make your own continental style breakfast.
- Television provided
- On site staff and emergency call system in each room.
- A laundry room for your personal washing.
- The use of a residents lounge/dining room.
